Wake Forest University 2016-2017 Health Information & Immunization Form

North Carolina General Statute \$130A 152-157 requires that ALL students entering college present a certificate of immunization which documents that the student has received the immunizations that are required by law. This documentation must be signed by a healthcare provider and include an office address. Students may be withdrawn from the university 30 days after classes begin if the mandatory immunization and TB requirements have not been met.

Deadlines for submission OF ALL 5 PAGES:

Fall admission – July 1 Spring admission – January 1 Summer admission – May 1

Basic Instructions:

- · All Immunization records are required to be submitted in, or translated into English, and in MM/DD/YYYY format.
- Include name and Wake ID number on all forms.
- Forms completed at a doctor's office, clinic or health department must contain an "official Stamp" and/or clinician signature for documents to be complete and accepted.
- KEEP A COPY FOR YOUR RECORDS.

The following steps are MANDATORY:

- Step 1: Have a doctor's office, clinic or health department complete the Immunization Form.
- Step 2: Complete the Tuberculosis Questionnaire -All incoming students must be screened for Tuberculosis risk factors through a screening questionnaire
- Step 3: Mail or email the completed Immunization Requirements Form and TB Screening Questionnaire to:

Wake Forest University Student Health Service

P.O. Box 7386 Winston-Salem, NC 27109

OR

hiif@wfu.edu

Acceptable Records of your Immunizations may be obtained from any of the following:

- Personal shot records Must be verified by a doctor's stamp or signature or by a clinic or health department stamp.
- High School Records These may contain some, but not all of your immunization records. Your immunization records do not transfer automatically. You must request a copy.
- Local Health Department
- Previous College or University Records Your immunization records do not transfer automatically. You must request a copy.
- Military Records or WHO (World Health Organization) Documents These records may not contain all of the required immunizations.

IMPORTANT! Your information will be reviewed by staff. You will be notified via post card or email if additional information is needed. Keep a copy for your records. There are occasions when you may need to resubmit your documentation.

Information about Meningococcal disease and Meningococcal vaccine can be found on the Student Health Service web page at shs.wfu.edu

Signature of Parent/Guardian, if student under age 18

2016-2017 Health Information & Immunization Form

Confidentiality: Student medical records are confidential. Medical records and information contained in the records may be shared with therapists and physicians who are involved in the student's care, and otherwise will not be released without the student's permission except as allowed by law. Students who wish to have their medical records or information released to other parties should complete a release of information form at the time of each office visit or service.

Deadline: Fall admission – July 1, Spring admission – January 1, or Summer admission – May 1. Do not submit until all forms are completed.

To be completed by Student

If completing by hand, please use black ink.
